

CHANGING LIVES AND IMPROVING THE COMMUNITY THROUGH INNOVATION

On April 19, 2024, Women's Fund of Hawai'i will host its annual Tea & Champagne. It is a fun-filled evening of fundraising and networking that features special tea, champagne, and delicious heavy pupu. In addition to the much anticipated Dessert Dash, Women's Fund of Hawai'i will utilize fundraising software that enables guests to raise funds and awareness. We invite you to join us by sponsoring this "technology" and dessert-driven social media networking event.

ABOUT THE ORGANIZATION

When women thrive, communities prosper.

While many women are doing well in Hawai'i, far too many women and girls in our state are not doing well. Inequality in Hawai'i is pervasive. Programs to help women and girls exist, but many are not sufficiently funded. They, like the women and girls they serve, receive inequitable resources. This lack of funding for women's and girls' programs is not limited to Hawai'i. Throughout the country, programs serving women and girls receive only 2% of all philanthropic foundation dollars.

Women's Fund of Hawai'i was founded to provide funding to organizations serving women and girls. We are working towards a day when all women and girls in Hawai'i are safe, financially secure and empowered to participate fully in their communities.

TEA & CHAMPAGNE 2024 page 2

Tea & Champagne utilizes a peer to peer fundraising tool and proven social media networking to increase donations and awareness. The cornerstone of the Swell platform begins with the Tea & Champagne website.

TeaandChampagne.swell.gives

This site helps us create a shared experience, which includes an interactive giving experience including Leaderboards displaying the Top Fundraiser and Top Table (Dessert Dash!).

THE DIFFERENCE:

Swell's software solution enables the event to reach beyond its walls by creating a live, crowd funding event where attendees share donation links, photos and posts to raise funds and win the Dessert Dash. By using this software, Women's Fund of Hawai'i redefines the boundaries of an event's reach.

FOR SPONSORS:

Swell provides a most unique platform through which companies can engage guests far beyond traditional print media, programs or signs. Companies can support the work of Women's Fund of Hawai'i while simultaneously reaching thousands through social engagement. It's an event built on broad reach and conversation, with corporate sponsors becoming a critical piece of that network.

SPONSORS

On April 28, 2023 at 5:00 p.m., Women's Fund of Hawai'i (WFH) will host our annual Tea & Champagne fundraiser at the Kahala Hotel & Resort.

Our 2023 honoree is philanthropist Marivic Dar.

Marivic is a financial advisor and one of Women's Fund of Hawai'i's former Board Members. She immigrated to Hawai'i from the Philippines and has made her mark as one of the most respected women in business. She served on the Board for many years, including as chair of several committees. She continues to support WFH, and we are delighted to dedicate the evening to celebrating her many contributions as an advocate and supporter of women and girls.

We will also highlight our grantees - the recipients of your sponsorship dollars.

Please join us in our effort to keep Hawai'i's most vulnerable safe and secure by sponsoring Tea & Champagne 2023. It will be a fun-filled evening of fundraising that features teas, champagne, and delicious dinner. Each table seats 10. You won't want to miss it!

Don't forget to tag your posts #tea4good and look for them below!
